

Tabling Events in The Kresge Library Lobby

Tabling events are allowed for OU schools, departments, and offices, and recognized [OU student groups](#). Any group wishing to hold an event must fill out [this form](#) and submit it to the dean's office three weeks in advance of their event. If more than one organization wishes to table on the same day, the space will be awarded on a first come - first served basis. The table for the event must be secured from the Oakland University facilities department, or through the [Office of Student Involvement](#), and will be brought in and moved out on the same day of the event.
